

NEW! Synnøve-Nordkap Nordic Experiences Fund

Have you always wanted to try a rosemaling class at Vesterheim? How about a cozy intergenerational family weekend at Skogfjorden, the Norwegian Concordia Language Village near Bemidji? Would you like to hear Hardanger fiddle under the pines at Nisswa Stamman? Need some extra resources to solve a genealogy puzzle that's stumped you?

Our hardworking lodge wants to help you get there.

This is a new venture borne of the realization that we've been very generous with our children and grandchildren funding camp and education scholarships, but it's also time to help Lodge members deepen their understanding and appreciation of their Nordic heritage and have some fun!

Applications will be considered based upon the strength of the proposal and previous involvement of the lodge member. We anticipate grants to be in the \$200-\$500 range. The Lodge reserves the right to make no awards. When possible, the Lodge will dispense funds directly to the organization affiliated with your project.
